

HONDA
The Power of Dreams

These specification details do not apply to any particular product which is supplied or offered for sale. The manufacturers reserve the right to vary their specifications, including colours, with or without notice and at such times in such manner as they think fit. Major as well as minor changes may be involved. Every effort, however, is made to ensure the accuracy of the particulars contained in this brochure. This publication shall not constitute in any circumstances whatsoever an offer by the Company to any person. All sales are made by the Distributor or Dealer concerned subject to and with the benefit of the standard Conditions of Sale and Warranty given by the Distributor or Dealer, copies of which may be obtained from them on request. This publicity material applies to the UK only Trade Descriptions Act (1968). Whilst efforts are made to ensure specification accuracy, brochures are prepared and printed several months in advance of distribution and consequently cannot always immediately reflect either changes in specification or in some isolated cases the provision of a particular feature. Customers are always advised to discuss specification details with the supplying Dealer especially if your model selection is dependent upon one of the features advertised.

CR-V

HONDA

EXPERIENCE THE ALL-NEW CR-V

The world's best-selling* SUV has been refined, re-imagined and redesigned. The result is a unique blend of bold, distinctive looks and advanced engineering. A car designed for the pure joy of driving with our new 1.5 VTEC TURBO petrol and new 2.0 i-MMD hybrid powertrains plus, for the first time on CR-V, a seven seat configuration is also available on selected petrol grades.

SPECIFICATION 41-44

POWER OF DREAMS 45-46

EMOTIVE DESIGN

The new CR-V's silhouette may be familiar, but the design is new from the ground up. Every one of its sleek dynamic lines, from its muscular wheel arches to its sculpted bonnet, has been developed to enhance performance and maximise aerodynamic efficiency.

INNER CALM

The CR-V's interior has been designed to maximise a feeling of connection between you and the car. Clean lines provide a sense of space, enhanced by contrasting materials with beautifully crafted finishes. The controls have been positioned to be intuitive and simple, so although you are surrounded by clever technology, it's never intrusive.

Thanks to our Active Noise Control, which is standard across the range, the interior is a quiet and calm environment. It's also extremely comfortable with four-way power lumbar support for the heated front seats with the availability of heated rear seats and a heated steering wheel*. Ensuring every journey is taken in the upmost comfort and relaxation.

*For more information on which grades these and other features are available on, please refer to the specification pages 41-44.

Model shown is CR-V 1.5 VTEC TURBO Executive in Premium Crystal Red Metallic with black leather interior.

APPLE CarPlay® AND ANDROID AUTO™*△

You can seamlessly integrate your Android phone or iPhone to the Honda CONNECT infotainment system with 7" touchscreen allowing you to make calls, listen to music or send and receive messages.

HEAD-UP DISPLAY△

The augmented reality head-up display projects key information, so the driver can see the data without looking away from the road.

HEATED FRONT AND REAR SEATS△

We believe everyone who travels in the new CR-V should be made to feel warm and comfortable. That's why we offer heated rear seats as well as front.

HEATED STEERING WHEEL△

Enjoy the feeling of a warm steering wheel on a cold day. It's little details like this that make driving the CR-V a pleasure.

MULTI-ANGLE REAR-VIEW CAMERA△

Engage reverse and the rear-view camera automatically comes to life on the 7" Honda CONNECT screen.

ENGAGING TECHNOLOGY

We have developed a whole range of technologies to make driving the new CR-V a truly engaging experience. The new head-up display system projects essential information within your sight line, so you don't need to take your eyes off the road; whilst comprehensive driving data is clearly displayed in the Intelligent Multi Info Display and can be accessed through your steering wheel controls.

A centrally mounted 7" full colour touchscreen infotainment system Honda CONNECT*, can neatly link to your smartphone so now you can access apps, contacts, emails, music streaming and more. Keeping you connected to your world and the things you love.

*Honda CONNECT available as standard on Elegance, Lifestyle and Executive grades only. Connectivity for Aha™ app (including internet radio) and for internet browsing is through WiFi tethering or Mobile WiFi Router. Data usage and roaming charges may result from using applications on Honda CONNECT. We recommend you check your mobile phone subscribed package. Internet browsing function can only be used when the car is stationary. Only iPhone 5 or newer with iOS 8.4 or later are compatible with Apple CarPlay®. Apple CarPlay® features, applications and services may not be available in all areas and are subject to change. To use Android Auto™, you need to download the Android Auto™ app from Google Play™ to your smartphone. Only Android 5.0 (Lollipop) or later versions are compatible with Android Auto™. Android Auto™ availability is subject to change and may vary based on geography. Apple CarPlay® is a trademark of Apple Inc., registered in the U.S. and other countries.

△For more information on which grades these and other features are available on, please refer to specification pages 41-44.

HANDS-FREE ACCESS POWER TAILGATE*

The automatic tailgate is operated by passing your foot under the rear bumper.

Perfect when you have your hands full.

SEVEN SEAT OPTION†

A clever use of interior space provides the option of a third row of seats, which gives you the flexibility to carry up to seven people. When not required, these seats fold-away to provide maximum boot space.

YOUR SPACE

You pack a lot into your life, so we wanted to design an interior that could fit it all in. The new CR-V provides a flexible and practical space, full of clever storage ideas, generous amounts of legroom and a large boot capacity of over 1,700 litres with the rear seats folded. It has also been designed to make your life easier, with convenient features such as a hands-free access tailgate*, one-motion folding seats and a flat boot floor to maximise loading. If you need to carry more than five people, no problem as the CR-V now gives you the option of seven seats†.

DYNAMIC DRIVE

The new CR-V is powered by our latest high-technology engines - petrol or petrol-electric hybrid*. Our 1.5 VTEC TURBO petrol comes with two power outputs and provides the perfect balance between performance and efficiency. It can be specified with a crisp 6-speed manual gearbox (173PS) or with an advanced 7-speed CVT (193PS) transmission. When you choose the CVT version you have the facility to drive the car in a relaxed, fully automatic mode or, if the mood takes you, to change gear using the racing car-inspired, steering wheel mounted, paddle shift.

Underneath we've designed a lightweight chassis to be the most sophisticated ever created for CR-V, complemented by our new MacPherson strut front suspension and multi-link rear set-up. Together they ensure an agile drive with excellent levels of comfort.

*Hybrid available Spring 2019.
For more information please see your local dealer.

Model shown is CR-V1.5 VTEC TURBO Executive in Premium Crystal Red Metallic.

THE HYBRID YOU CAN FEEL

Our next generation hybrid makes its European debut in the new CR-V. We call it intelligent-multi mode drive (i-MMD) and it combines a smooth, powerful 2.0 litre petrol engine with hi-tech electric motors to give you effortless driveability you will enjoy everyday.

i-MMD technology is clever, because it constantly monitors the performance and economy of your CR-V to determine the best combination of power sources. It then delivers the car's optimum energy smoothly and seamlessly by automatically switching between three driving modes: engine drive, hybrid drive and a pure electric EV drive.

HELPFUL TECHNOLOGY

A great deal of engineering has gone into keeping you and your passengers safe. In fact, clever technology is always at work while you drive and often you'll never know it's there.

BLIND SPOT INFORMATION

This clever device makes lane changes and overtaking safer, warning you when vehicles are detected in your blind spot by illuminating a light in your door mirror.

CROSS TRAFFIC MONITOR

When reversing, the Cross Traffic Monitor can detect approaching vehicles from either side and warns you of imminent danger.

EMERGENCY CALL (E-CALL)

An emergency call (SOS) switch is located within easy reach, adjacent to the rear view mirror. In the event of an emergency, help can be summoned at the touch of a button.

ALL WHEEL DRIVE

The electronically controlled real time AWD with Intelligent Control System has been designed to automatically step in when loss of traction is detected.

For instance, the system can detect when the CR-V is climbing a hill and send greater power to the rear wheels. When this extra torque is no longer required, the multi-plate clutch automatically disconnects the propeller shaft from the rear differential, saving fuel.

AWD

HONDA SENSING

Honda SENSING is one of the most advanced safety technology suites available and is standard across the range.

COLLISION MITIGATION BRAKING SYSTEM

If there is the possibility of a collision with a vehicle or a pedestrian this feature will alert you to the danger as well as reducing your speed to help minimise the severity of any impact.

LANE DEPARTURE WARNING

If the car moves out of its lane without you activating the indicator, then alerts will flash and sound, to help bring your attention to correcting the lane drift.

ROAD DEPARTURE MITIGATION

A windscreen mounted camera detects whether the car is veering off the road and uses the Electric Power Steering to apply subtle corrections to keep your vehicle in its lane. In certain conditions, it can also apply braking force.

LANE KEEPING ASSIST SYSTEM

Helps keep you in the middle of your lane, providing a less stressful driving experience by reducing the need for steering correction movements and driving effort on the motorway.

INTELLIGENT-ADAPTIVE CRUISE CONTROL

This feature detects if a vehicle driving in an adjacent lane intends to cut in front of you and adjusts the speed of your CR-V in advance. It also helps you maintain the distance between you and the car in front, so you don't have to change your speed.

ADAPTIVE CRUISE CONTROL WITH LOW-SPEED FOLLOWING*

This function maintains a set cruising speed and following distance relative to the vehicle in front of you. If the detected vehicle comes to a stop, the function will decelerate and stop your vehicle without you having to keep your foot on the brake. Once the car in front starts moving again simply tap the accelerator to resume the operation.

TRAFFIC SIGN RECOGNITION

The Traffic Sign Recognition system identifies traffic signs and relays this information to you via a visual display. Two signs can be displayed at any one time.

INTELLIGENT SPEED LIMITER

Cleverly combines the existing adjustable speed limiter function with the Traffic Sign Recognition system to automatically set the speed limit to that which the Traffic Sign Recognition system detects.

YOUR
CR-V

COMFORT

1.5 VTEC TURBO 173PS 2WD

6-Speed Manual Transmission

- ◆ 17" alloy wheels
- ◆ Driver SRS, passenger SRS, side (front) and side curtain airbags
- ◆ Anti-lock Braking System and Brake Assist
- ◆ Electric parking brake with automatic brake hold
- ◆ Dusk sensing auto lights
- ◆ Headlight auto on/off timer (coming home/leaving home function)
- ◆ LED daytime running lights
- ◆ LED headlights with headlight washers
- ◆ Electric adjustable, heated mirrors
- ◆ Vehicle Stability Assist
- ◆ Trailer Stability Assist
- ◆ Hill Start Assist
- ◆ Idle stop
- ◆ Forward collision warning
- ◆ Lane keep assist system
- ◆ Lane departure warning
- ◆ Road departure mitigation
- ◆ Intelligent speed limiter
- ◆ Agile Handling Assist
- ◆ Deflation warning system
- ◆ Emergency stop signal
- ◆ Collision mitigation braking system

For full specification on this grade, please refer to pages 41-44.

- ◆ Traffic sign recognition
- ◆ Security alarm system and immobiliser
- ◆ Emergency Call
- ◆ ECON mode
- ◆ Tilt and telescopic multi-function steering wheel
- ◆ Fabric upholstery
- ◆ Front heated seats
- ◆ One motion 60/40 split fold rear seat
- ◆ Driver seat manual height adjust
- ◆ Driver power lumbar support
- ◆ Climate control single auto A/C
- ◆ Intelligent-Multi Information Display
- ◆ Adaptive cruise control/intelligent-adaptive cruise control
- ◆ 5" monitor audio with DAB digital radio
- ◆ 8 speakers
- ◆ Steering wheel remote audio controls
- ◆ Bluetooth™ Hands Free Telephone
- ◆ 1x USB connection
- ◆ Front instrument panel, centre console and boot accessory sockets
- ◆ Wood style instrument panel garnish
- ◆ Tonneau cover

ELEGANCE

**1.5 VTEC TURBO
173PS 2WD/AWD**

6-Speed Manual Transmission

**1.5 VTEC TURBO
193PS AWD**

7-Speed CVT Automatic
Transmission

In addition to features available in the Comfort grade, the features on the Elegance grade include:

- ◆ 18" alloy wheels
- ◆ Front halogen fog lights
- ◆ Rain sensing auto wipers
- ◆ Remote power window and retractable door mirrors (key fob operation)
- ◆ Dual automatic climate control
- ◆ Parking sensors (front and rear)
- ◆ Rear view camera
- ◆ Auto dim rear view mirror
- ◆ Low speed following^Δ
- ◆ Paddle shift^Δ
- ◆ Leather steering wheel
- ◆ Leather shift knob (manual transmission only)
- ◆ Honda CONNECT with Garmin Navigation: 7" touchscreen, AM/FM/DAB digital radio, Apple CarPlay®, Android Auto™, internet radio, Aha™ app integration and internet browsing*
- ◆ 2 x front USB connections
- ◆ 2 x rear USB connections (charge only)

Optional:

- ◆ 7 seats

*Connectivity for Aha™ app (including internet radio) and for internet browsing is through WiFi tethering or mobile WiFi Router. Data usage and roaming charges may result from using applications on Honda CONNECT. We recommend you check your mobile phone subscribed package. Internet browsing function can only be used when the car is stationary. Only iPhone 5 or newer with iOS 8.4 or later are compatible with Apple CarPlay®. Apple CarPlay® features, applications and services may not be available in all areas and are subject to change. To use Android Auto™, you need to download the Android Auto™ app from Google Play™ to your smartphone. Only Android 5.0 (Lollipop) or later versions are compatible with Android Auto™. Android Auto™ availability is subject to change and may vary based on geography.

^ΔOnly available on versions equipped with CVT automatic transmission.

For full specifications, please refer to pages 41-44.

LIFESTYLE

In addition to features available in the Elegance grade,
the features on the Lifestyle grade include:

- ◆ LED front fog lights
- ◆ Roof rails
- ◆ Privacy glass
- ◆ Leather upholstery
- ◆ Driver and passenger power lumbar support
- ◆ Ambient light (driver/passenger footwell/door handle)
- ◆ Smart entry and start
- ◆ Windscreen wiper de-icer
- ◆ Blind Spot Information and Cross Traffic Monitor
- ◆ Active cornering lights

Optional:

- ◆ 7 seats

For full specifications, please refer to pages 41-44.

03 IVORY LEATHER*

YOUR OPTIONS

Personalise your CR-V with Honda genuine accessories.

They have not only been produced to our same exacting standards, but each one is specifically designed to enhance and fit your CR-V perfectly.

CARGO PACK

If you frequently transport luggage or specialised equipment, the Cargo Pack will help keep it organised and secure.

Pack contains: premium boot organiser, bumper step protector and boot sill decorations.

AERO PACK

The Aero Pack gives your car a more sophisticated, dynamic look with a combination of refined, body coloured features. **Pack contains:** front aero bumper, rear aero bumper, running boards and a tailgate spoiler.

Image includes 19" Galena alloy wheels. Sold separately.

CONVENIENCE PACK

The Convenience Pack is a collection of accessories stylishly designed to protect your car from scrapes, scratches, mud and sand. **Pack contains:** side body trims, door sill trims and mud flaps.

Image includes 18" Emerald alloy wheels. Sold separately.

ILLUMINATION PACK

The Illumination Pack uses a combination of lights to give an ambient atmosphere to the inside of your car. **Pack contains:** front ambient footlights and the illuminated door sill trims.

RUNNING BOARDS

If you want to enter or exit your car more easily, choose our running boards. They are designed to fully integrate with the sleek design of your CR-V and are finished in aluminium with black details or in a full black finish to add an extra touch of class to your car.

MIRROR CAPS

Enhance the individuality of your CR-V with these Asphalt Silver mirror caps. Designed to replace the existing ones. **Kit contains:** two mirror caps.

SIDE LOWER DECORATIONS - SILVER

These smart and stylish decorations give your CR-V a robust, muscular look. They are finished in Asphalt Silver to compliment the front and rear lower decoration on the standard bumper.

Kit contains: two parts per side.

TAILGATE DECORATION

Accentuate the exterior look of your car with an attractive tailgate decoration. The distinctive chrome look adds a little extra style and sophistication to your CR-V.

TAILGATE SPOILER

Add an extra competitive and sporty edge to the back of your CR-V with a "floating style" tailgate spoiler.

PUDDLE LIGHTS

The puddle LED lights create an effective, small pool of light just underneath the front doors, illuminating the area beside the car. Only in combination with the running boards.

WINDSHIELD COVER

This windshield cover acts as a shield against the elements and will also protect the mirrors and front side windows from heavy weather when your car is parked outside. It features the CR-V logo.

RETRACTABLE TOW BAR WITH 13-PIN TRAILER HARNESS

With this new retractable tow bar system, you can pull your trailer or carry bikes with ease. Maximum towing capacity: 2000kg depending the transmission type. Maximum vertical load: 100kg. The 13-pin socket is integrated in the tow bar. The opening mechanism is positioned inside the boot area to facilitate operation. An optional 12V battery line provides continuous power to your trailer.

DOOR VISORS

These door visors are mounted on the top of the front and rear doors and smoothly deflect the air streams.

Kit contains: a set of four visors.

PREMIUM BOOT ORGANISER

This innovative boot organiser enables you to organise your car's boot space and prevent items from moving around when driving.

BOOT TRAY - HEAVY DUTY

This waterproof, heavy duty boot tray is made out of a sturdy high-quality material and is perfectly shaped to fit your car's rear storage space. It will protect the boot from dirt and scratches, has high walls and features the CR-V logo.

18" EMERALD ALLOY WHEEL

The 18" Emerald comes with Gunpowder Black windows and a diamond cut A-surface with shiny clear coat.

19" GALENA ALLOY WHEEL

The 19" Galena comes with Rombo Silver windows and a diamond cut A-surface with matte clear coat.

◆ Standard ◆ Optional - Not available

*Fuel consumption figures, sourced from EU regulated laboratory test results, are provided for comparison purposes and may not reflect real-life driving experience. The Honda CR-V has been subjected to the new WLTP CO₂ and fuel consumption testing cycle in accordance with Commission Regulation (EU) 2017/1151. WLTP figures better reflect the actual performance of the vehicle when driven on the road. During the transition phase between NEDC (the former testing regime) and WLTP, NEDC values for CO₂ and fuel consumption will remain available in accordance with Commission Regulation (EU) 2017/1152.

*Maximum towing weights are based on a 12% gradient and are tested in accordance with EU Regulations.

♦ Standard ♦ Optional - Not available

[▲]A USB flash drive of 256 MB or higher is recommended and some devices may not be compatible.

*Connectivity for Aha™ app (including internet radio) and for internet browsing is through WiFi tethering or Mobile WiFi Router. Data usage and roaming charges may result from using applications on Honda CONNECT. We recommend you check your mobile phone subscribed package. Internet browsing function can only be used when the car is stationary. Only iPhone 5 or newer versions with iOS 8.4 or later are compatible with Apple CarPlay®. Apple CarPlay® features, applications and services may not be available in all areas and are subject to change. To use Android Auto™, you need to download the Android Auto™ app from Google Play™ to your smartphone. Only Android 5.0 (lollipop) or later version are compatible with Android Auto™. Android Auto™ availability is subject to change and may vary based on geography. Elegance is available without Garmin satellite navigation.

Apple CarPlay® is a trademark of Apple Inc., registered in the U.S. and other countries.

Dreams can be powerful, they push you to achieve more, to explore new ideas, new technologies and uncover new ways of solving problems. Dreaming of a better world for people to enjoy has given life to a humanoid robot called ASIMO, taken flight with HondaJet and created some of the most popular motorbikes on the planet. The knowledge we gain from all the things we do and all the things we learn, goes into everything we make, including our new SUV range.

DREAMS
REALLY DO
COME TRUE

Models shown are CR-V 1.5 VTEC TURBO Executive in Premium Crystal Red Metallic and HR-V 1.5 i-VTEC Executive in Midnight Blue Beam Metallic.
