## SPECIFICATION 55-58

Model shown is a Civic 5 Door 1.5 VTEC TURBO Sport Plus in Rallye Red.

### 03-04

## EXTERIOR DESIGN

Undeniably distinctive, unmistakably sleek and sporty, the Civic's contemporary design is a unique blend of dramatic sculptural lines and smooth athletic curves. A car designed to grab attention and, fundamentally, a car designed to be driven.

Model shown is a Civic 5 Door 1.0 VTEC TURBO Executive in Brilliant Sporty Blue Metallic.

### 05-06

Model shown is a Civic 5 Door 1.5 VTEC TURBO Sport Plus in Rallye Red.

### 07-08

### OUR NEW GENERATION ENGINES

We have created two new turbocharged engines to give our latest Civic the power and economy to match its looks. You can choose between a powerful and refined 182ps 1.5 VTEC TURBO or our efficient 129ps 1.0 VTEC TURBO, both feature our Earth Dreams Technology which gives you the perfect balance of performance and economy. These new engines can be specified with either a slick 6-speed manual gearbox or a smooth new CVT automatic.

Model shown is a Civic 5 Door 1.0 VTEC TURBO Executive in Brilliant Sporty Blue Metallic.

### 9-10

### FEEL PART OF IT

With its ergonomic driving position and new dual piston steering system, the Civic provides excellent feedback and control, giving you an engaging driving experience. The suspension has also been configured for dynamic handling and features an independent Multi-link system on the rear and a MacPherson strut set-up at the front. We've examined and rethought every aspect of the car, creating a new lightweight frame with high tensile material to save vital kilos, give greater body rigidity and add to new Civic's agility. All this technology has been engineered to work together to produce what we believe is our most advanced and sporty Civic ever.

## FEEL PART OF IT

With its ergonomic driving position and new dual pinion steering system, the Civic provides excellent feedback and control, giving you an engaging driving experience. The suspension has also been configured for dynamic handling and features an independent Multi-Link system on the rear and a MacPherson strut set-up at the front. We've examined and rethought every aspect of the car, creating a new lightweight frame with high tensile material to save vital kilos, give greater body rigidity and add to new Civic's agility. All this technology has been engineered to work together to produce what we believe is our most advanced and sporty Civic ever.

11-12

### CLASS LEADING SPACE

No wanted to design a car for the real world, a car that is one of the most spacious in its class and is flexible enough to take all that life throws at it. The Civic has many thoughtful features like a wide tailgate opening to make loading and unloading easier, versatile 60:40 split folding rear seats and a clever retractable and reversible tonneau cover that can be operated with one hand.

### THE PERFECT FIT

When you love getting the most out of life it's a wonder how you fit everything into a day. Well, whatever you do, at least there won't be a problem fitting it all into your new Civic.

Model shown is a Civic 5 Door 1.5 VTEC TURBO Sport Plus in Rallye Red.

15-16

\*Honda CONNECT is standard on all models except S and Comfort grades.

\*\*Heated rear seats are standard on Prestige and optional on Executive grades only. For more information on which grades these and other features are available on, please refer to specification pages 55-58. Model shown is a Civic 5 Door 1.5 VTEC TURBO Sport Plus in Rallye Red.

### HIGH QUALITY AND

## Honda Civic 5DR Brochure Copy

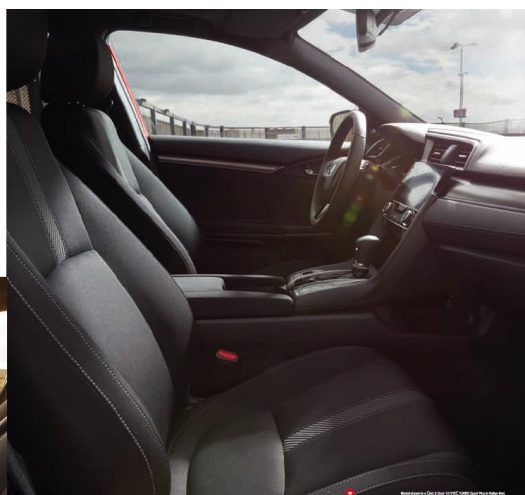

### HI-TECH

Surround yourself in comfort and quality with soft touch materials and premium details. We have included lots of helpful technology like our clever new 7" Honda CONNECT touch-screen infotainment system\*, dual-zone climate control, heated front and rear seats\*\* and a new electronic parking brake, to make every journey that little bit more enjoyable.

### 17-18

#### YOUR SPACE

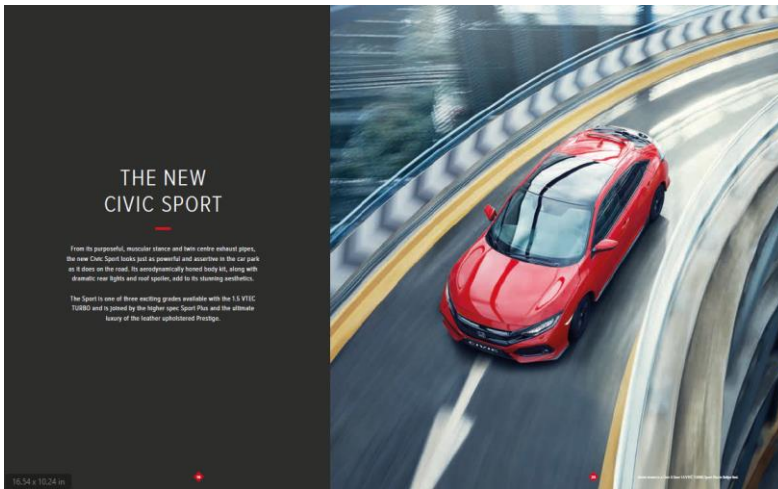

From your supportive, contoured seats you will see why the Civic has one of the most spacious cabins in its class, with a wide, sweeping dashboard, single drive-friendly layout and great all-round visibility. We've also gone to great lengths to create a calm, quiet space so you can just relax and enjoy the drive.

Model shown is a Civic 5 Door Executive 1.0 VTEC TURBO in Brilliant Sporty Blue Metallic.

Model shown is a Civic 5 Door 1.5 VTEC TURBO Sport Plus in Rallye Red.

### 19-20

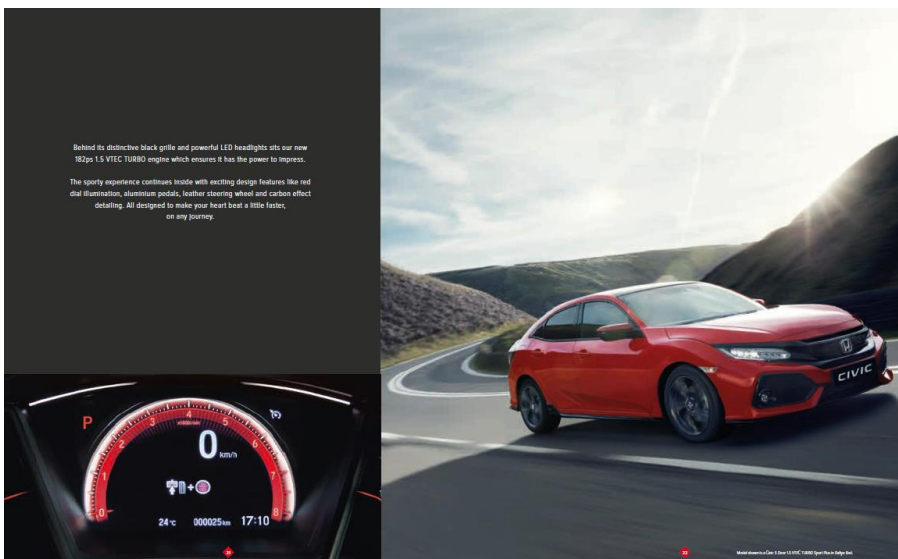

## THE NEW CIVIC SPORT

From its purposeful, muscular stance and twin centre exhaust pipes, the new Civic Sport looks just as powerful and assertive in the car park as it does on the road. Its aerodynamically honed body kit, along with dramatic rear lights and roof spoiler, add to its stunning aesthetics. The Sport is one of three exciting grades available with the 1.5 VTEC TURBO and is joined by the higher spec Sport Plus and the ultimate luxury of the leather upholstered Prestige.

Model shown is a Civic 5 Door 1.5 VTEC TURBO Sport Plus in Rallye Red.

## 21-22

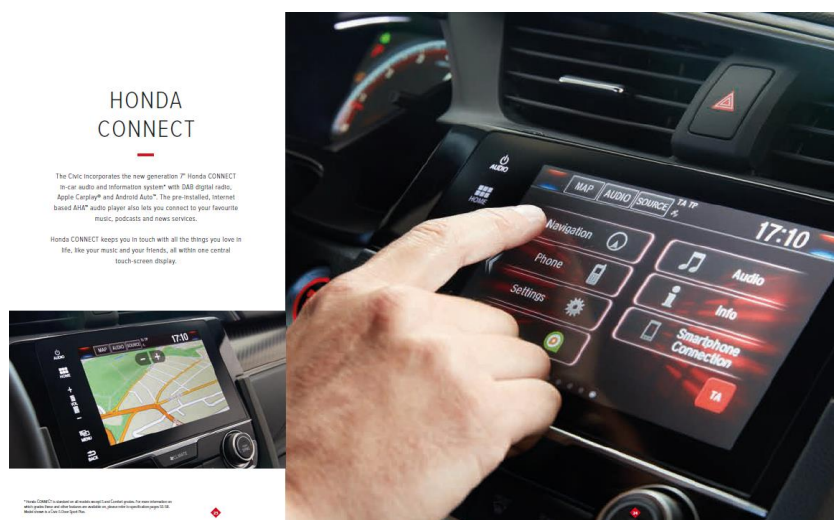

Behind its distinctive black grille and powerful LED headlights sits our new 182ps 1.5 VTEC TURBO engine which ensures it has the power to impress. The sporty experience continues inside with exciting design features like red dial illumination, aluminium pedals, leather steering wheel and carbon effect

detailing. All designed to make your heart beat a little faster, on any journey.

Model shown is a Civic 5 Door 1.5 VTEC TURBO Sport Plus in Rallye Red.

## 23-24

## HONDA CONNECT

The Civic incorporates the new generation 7" Honda CONNECT in-car audio and information system\* with DAB digital radio, Apple Carplay® and Android Auto™\*\*. The pre-installed, internet based AHA™ audio player also lets you connect to your favourite music, podcasts and news services. Honda CONNECT keeps you in touch with all the things you love in life, like your music and your friends, all within one central touch-screen display.

\* Honda CONNECT is standard on all models except S and Comfort grades. For more information on which grades these and other features are available on, please refer to specification pages 55-58.

\*\* Android Auto™ availability is subject to change and may vary based on geography. Apple CarPlay® features, applications and services may not be available in all areas and are subject to change.  
Model shown is a Civic 5 Door Sport Plus.

## Honda Civic 5DR Brochure Copy

\*Honda CONNECT is standard on all models except S and Comfort grades. Connectivity for Aha™ app (including internet radio) and for internet browsing is through WiFi tethering or Mobile WiFi Router. Data usage and roaming charges may result from using applications on Honda CONNECT. We recommend you check your mobile phone subscribed package. Internet browsing function can only be used when the car is stationary. For more information on which grades these and other features are available on, please refer to specification pages 55-58.

Only iPhone 5 or newer with iOS 8.4 or later are compatible with Apple CarPlay®. Apple CarPlay® features, applications and services may not be available in all areas and are subject to change. To use Android Auto™, you need to download the Android Auto™ app from Google Play™ to your smartphone. Only Android 5.0 (Lollipop) or later versions are compatible with Android Auto™. Android Auto™ availability is subject to change and may vary based on geography. Model shown is a Civic 5 Door Sport Plus.

## 27-28

## HONDA SENSING

Honda SENSING is one of the most advanced suites of safety technologies available, designed to keep you and your passengers safer.

### Collision Mitigation Braking System

If there is a possibility of a collision with a vehicle or a pedestrian this feature will alert you to the danger as well as reducing your speed to help minimise the severity of any impact.

### Lane Departure Warning

If the car moves out of its lane without you activating the indicator, then alerts will flash and sound, to help bring your attention to correcting the lane drift.

### Road Departure Mitigation

A windscreen mounted camera detects whether the car is veering off the road and uses the Electric Power Steering to apply subtle

corrections to keep your vehicle in its lane. In certain conditions, it can also apply braking force.

#### Lane Keeping Assist System

Helps keep you in the middle of your lane, providing a less stressful driving experience by reducing the need for steering correction movements and driving effort on the motorway.

#### Traffic Sign Recognition

The Traffic Sign Recognition System identifies traffic signs and relays this information to you via a visual display. Two signs can be displayed at any one time.

#### Intelligent Speed Limiter

Cleverly combines the existing adjustable speed limiter function with the Traffic Sign Recognition system to automatically set the speed limit to that which the Traffic Sign Recognition system detects.

#### intelligent - Adaptive Cruise Control

This feature detects if a vehicle driving in an adjacent lane intends to cut in front of you and adjusts the speed of your Civic in advance. It also helps you maintain the distance between you and the car in front, so you don't have to change your speed.

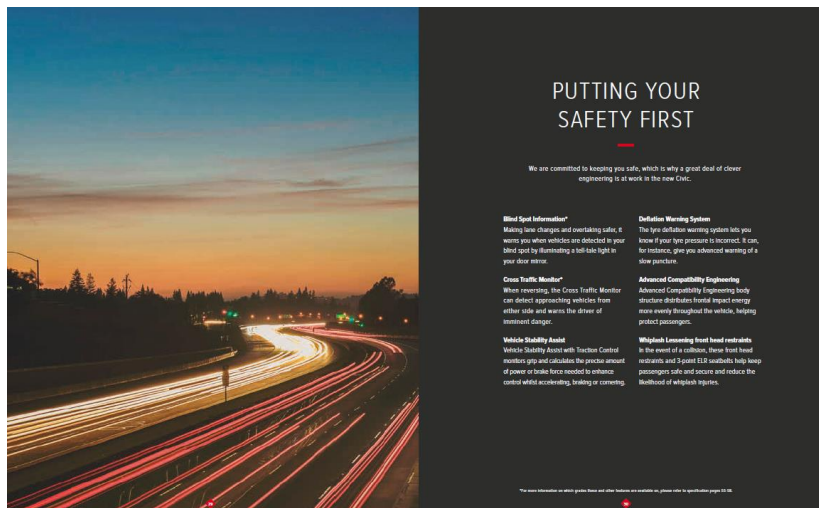

#### Adaptive Cruise Control with Low-Speed Following\*

This function maintains a set cruising speed and following distance relative to the vehicle in front of you. If the detected vehicle comes to a stop, the function will decelerate and stop your vehicle without you having to keep your foot on the brake. Once the car in front starts moving again simply tap the accelerator to resume the operation.

Model show is a Civic 5 Door 1.0 VTEC TURBO Executive in Rallye Red.

\*Low-Speed Following only available on versions equipped with CVT automatic transmission.

29-30

## PUTTING YOUR SAFETY FIRST

We are committed to keeping you safe, which is why a great deal of clever engineering is at work in the new Civic.

### Blind Spot Information\*

Making lane changes and overtaking safer, it warns you when vehicles are detected in your blind spot by illuminating a tell-tale light in your door mirror.

### Cross Traffic Monitor\*

When reversing, the Cross Traffic Monitor can detect approaching vehicles from either side and warns the driver of imminent danger.

### Vehicle Stability Assist

Vehicle Stability Assist with Traction Control monitors grip and calculates the precise amount of power or brake force needed to enhance control whilst accelerating, braking or cornering.

### Deflation Warning System

The tyre deflation warning system lets you know if your tyre pressure is incorrect. It can, for instance, give you advanced warning of a slow puncture.

## Honda Civic 5DR Brochure Copy

Advanced Compatibility Engineering  
Advanced Compatibility Engineering body structure distributes frontal impact energy more evenly throughout the vehicle, helping protect passengers.

Whiplash Lessening Front Head Restraints  
In the event of a collision, these front head restraints and 3-point ELR seatbelts help keep passengers safe and secure and reduce the likelihood of whiplash injuries.

\*For more information on which grades these and other features are available on, please refer to specification pages 55-58.

## 49-50

### TECHNOLOGY

Keeping you connected and your passengers entertained.

#### TABLET HOLDER

Fits any tablet from 7" to 11.6". It has a neat tiltable feature so it can be adjusted to the best viewing position.

#### HONDA 3D SOUND SYSTEM

Create a virtual concert hall inside your Civic by installing this CDP (Compact Digital Processor) unit. It's like listening to your favourite artists live.

#### WIRELESS PHONE CHARGER

The Honda wireless charger lets you charge your compatible smartphone faster and out of power. Simply place your smartphone on the integrated charging mat for effortless charging without the hassle of cables.

### PROTECTION & SAFETY

A range of accessories designed to protect your Civic.

#### WINDSHIELD COVER

A shield against the elements. This windshield cover will protect the mirrors and front side windows from heavy weather when your car is parked outside. Features the Civic logo.

#### PROTECTION PACK

The Protection Pack is a package of accessories that are tough, durable and stylish designed to protect your Civic from scrapes and scratches. **Pack includes:** Side body films, door sill films and a boot lip protector. Protection Pack items are also available as individual accessories.

With this detachable tow bar, you can tow your caravan or trailer with ease and remove it when not in use. Also available as fixed.

### ROOF BOX

Make the most of the space inside your Civic by putting luggage in this stylish and lockable Thule roof box.

Available in: 410L, 400L and 320L capacity.

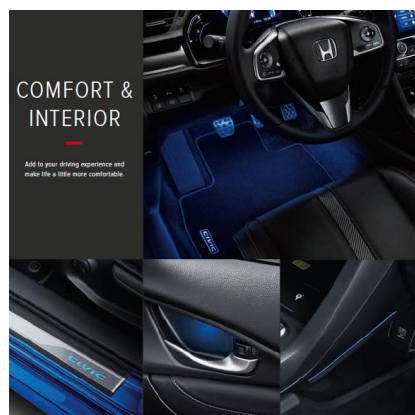

### THULE BICYCLE CARRIER

Made by Thule, certified by Honda. This accessory carries two bicycles, is easy to install, has a tilting function for easy boot access and an anti-theft locking system. Also available as EasyFold version which folds for storage.

### DOG GUARD

The dog guard keeps your pets safe by separating the rear passenger area from the luggage compartment. It's a must for those who have pets, and fits snugly between the rear seat back and roof interior.

## 53-54

ILLUMINATION PACK

The Illumination Pack uses a combination of subtle blue lights to give an ambient atmosphere to the inside of the car. **Includes:** Blue front ambient footlight, illuminated door sill trims, blue console illumination and blue lining illuminations. These items are also available as individual accessories. A red Illumination Pack is also available on Sport Grade.

HONDA CHILDSEATS

Honda genuine childseats offer superior protection for your child from birth to 12 years, with two installation options - ISOFIX or 3-point seatbelt.

ELEGANCE FLOOR MATS

These elegant and comfortable fitted carpets, with black rubber binding, have a woven Civic emblem for durability. **Includes:** Front and rear mats.

14.54 x 10.24

\* Connectivity for Aha™ app (including internet radio) and for internet browsing is through WiFi tethering or Mobile WiFi Router. Data usage and roaming charges may result from using applications on Honda CONNECT.

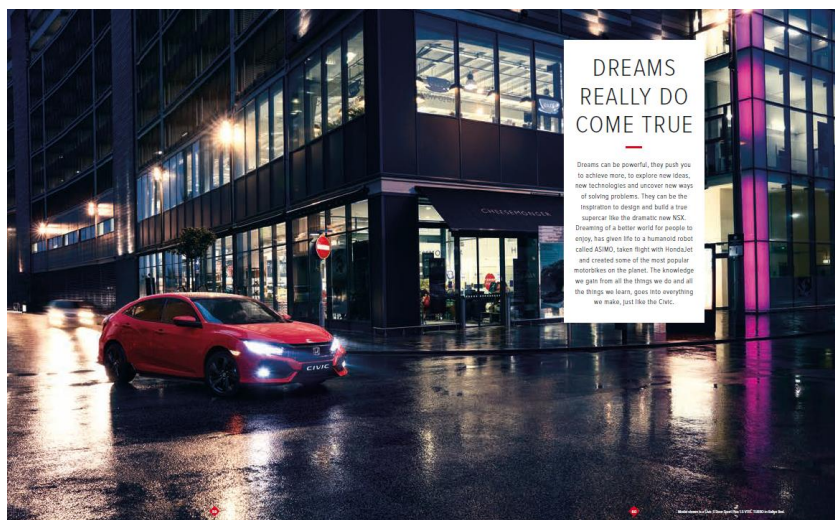

Only iPhone 5 or newer versions with iOS 8.4 or later are compatible with Apple CarPlay®. Apple CarPlay® features, applications and services may not be available in all areas and are subject to change. To use Android Auto™, you need to download the Android Auto™ app from Google Play™ to your smartphone.

Only Android 5.0 (lollipop) or later version are compatible with Android Auto™. Android Auto™ availability is subject to change and may vary based on geography. We recommend you check your mobile phone subscribed package. Internet browsing function can only be used when the car is stationary.

\*\*Please ask your dealer for a list of compatible Bluetooth™ phones, pairing procedures and special feature compatibilities.

ΔAlways use the recommended USB flash memory device. Some USB memory devices may not work in this audio unit.

59-60

## DREAMS REALLY DO COME TRUE

Dreams can be powerful, they push you to achieve more, to explore new ideas, new technologies and uncover new ways of solving problems. They can be the inspiration to design and build a true supercar like the dramatic new NSX. Dreaming of a better world for people to enjoy, has given life to a humanoid robot called ASIMO, taken flight with HondaJet and created some of the most popular motorbikes on the planet. The knowledge we gain from all the things we do and all the things we learn, goes into everything we make, just like the Civic.

Model shown is a Civic 5 Door Sport Plus 1.5 VTEC TURBO in Rallye Red.
